J U A N C A R L O S B A R R O S O

Industrial Designer | Product Developer | 3D Modeling & Printing

• Guadajalara, Jalisco • (+52) 7771035361 • juancarlos.bo91@gmail.com •
linkedin.com/in/jucabao • behance.net/juancabarroso

Industrial designer with 8+ years of experience in design, advanced prototyping, and strategic planning. Deeply immersed in industrial manufacturing processes, focused on innovation and delivering effective solutions across all stages of product development, combining creativity with technical expertise.

PROFESSIONAL EXPERIENCE

Clase Azul Mexico, Guadalajara, Jalisco
Sr. Product Development - 11/2023 – 12/2024

Responsible for developing new luxury consumer products and special edition projects, integrating creative and technical solutions. I collaborated closely with concept, engineering, manufacturing and project management teams to ensure the feasibility and success of each project.

- Mentored junior colleagues, helping them develop key skills and boost team performance.

Clase Azul Mexico, Guadalajara, Jalisco
3D Modeling and printing leader - 12/2022 – 11/2023

Managed the 3D modeling team mainly focused on prototyping, technical drawings, tooling, and 3D printing. Oversee ceramics design and production to ensure timely delivery of high-quality prototypes and tools. Ensure efficient operation of 3D printers and maintain a steady supply of materials. Foster a collaborative environment to drive creativity and efficiency.

- Led the development of a new stencil system, achieving 95% acceptance rate for quality standards in the application stage and reducing application time by at least 50% once the process was fully optimized.
- Implemented MS Project Online to enhance work organization, improving team efficiency and ensuring timely completion of complex tasks.

Clase Azul Mexico, Guadalajara, Jalisco
Product Designer & 3D Specialist - 11/2021 - 12/2022

My responsibility was to design a variety of products with innovative value propositions and present them through photorealistic renderings, 3D models, and prototypes accompanied by their corresponding technical documentation. I implemented the use of rapid prototyping for the development of new ceramic molds, enhancing quality consistency and fidelity to design requirements.

- Equip the 3D workshop with adequate printers SLS, SLA & FDM, drawing tablets and 3D scanners.
- Specialization in ceramic product design and development with a focus on technical precision.

Clase Azul Mexico, Guadalajara, Jalisco
Industrial Designer Jr. - 07/2019 - 11/2021

As an industrial designer, I was responsible for generating new products and aligning conceptual designs with manufacturing on-site and with suppliers. I created technical documentation and visually represented ideas to support various departments.

- Implemented the transition from handmade tools to 3D printing for creating precise mold models.

Los De Idea, Mexico City
Industrial Designer - 03/2017 - 02/2019

Responsible for generating new retail materials and strong concepts with creative solutions with visual representations (renders) aligned with the needs and strategies of the client's brand.

Diafrom, Mexico City
Industrial Designer - 11/2016 - 03/2017

As a designer at Diafrom, I was responsible for providing the clients with an overbudget and creative solution to their retail display needs. I proposed designs in line with manufacturing and logistics requirements to support the client in their product sales strategy needs.

EDUCATION

Bachelor of Industrial Design • Tecnológico De Monterrey, Ciudad de México. 2011 - 2016

Grasshopper Course • Domestika. – On Course

SOFTWARE

Productivity • MS Office (Power Point, Excel, Word), MS Project Online.

Design & 3d Modeling • Photoshop Proficiency, Illustrator Proficiency, Rhinoceros 3D Proficiency, Keyshot proficiency, Meshmixer, EXScan, Solidorks Fundamentals, Grasshopper on course.

3D Printing & Laser Cut • Raise 3D, PreForm, RDWorksV8.

SKILLS

Design Engineering
Project Management
Creativity
Technical Drawing
Prototyping
3D Printing. SLA, FDM, SLS
Problem Solving
Leadership
Teamwork
Problem Solving
Results Oriented
Time management.

LANGUAGE

- **Spanish**, Native.
- **English**, Conversational fluent.
