PROFESSIONAL EXPERIENCE

- GRAPHIC DESIGNER & VIDEO EDITOR

DIGI RIPPLE MEDIA MARKETING LLP

2022-2025

 - Designed creative ad campaigns for US-based clients, including social media creatives, display ads, and promotional graphics.
 - Edited and produced engaging videos, reels, and motion graphics for brand marketing.
 - Utilized Adobe Premiere Pro and other tools to deliver high-quality visual content.
 - Ensured all designs adhered to brand guidelines and campaign objectives.
 - I also have a keen eye for detail and excel at proofreading designs and artworks to ensure visual accuracy, brand consistency, and error-free content before final delivery.
 - My workflow involves thorough quality checks, alignment with brand guidelines, and ensuring every creative communicates the intended message effectively.
- GRAPHIC DESIGNER

RD OUTDOOR MEDIA PRIVATE LIMITED

2021-2022

 - Designed outdoor promotional materials, including hoardings, banners, standees, and brand signage.
 - Created impactful layouts to attract audience attention in high-visibility outdoor spaces.
 - Adapted brand guidelines creatively for large-format printing and outdoor media.
 - Prepared print-ready files optimized for large-scale production.
- GRAPHIC DESIGNER

2018-2020

 - Designed creative ad campaign materials for online promotions, including social media creatives, Google Ads, and YouTube thumbnails.
 - Developed visually engaging graphics aligned with campaign objectives and brand guidelines.
 - Created motion graphics and short promotional videos to enhance ad performance.
 - Collaborated with marketing teams to conceptualize and execute digital campaign ideas.
- OCEAN GRAPHIC

2017-2018

 - Designed and developed print media materials, including brochures, pamphlets, flyers, business cards, and posters.
 - Collaborated with clients to understand requirements, branding, and target audience.
 - Prepared print-ready files, ensuring high-quality output and color accuracy.
 - Proofread and reviewed artworks to eliminate errors and maintain brand consistency.
