PROFESSIONAL SUMMARY

Legal Intake & Operations professional with cross-industry experience spanning U.S. law firms, enterprise SaaS environments, and high-growth technology platforms. Proven track record of internal growth into roles with increasing responsibility across intake qualification, litigation support foundations, SLA management, KPI reporting, and cross-functional coordination. Recognized for structured case evaluation, operational discipline, documentation accuracy, and high-volume workflow management while maintaining strong client experience standards.

PROFESSIONAL EXPERIENCE

- 

**Uriarte Law Firm**  
Legal Intake & Case Support Specialist
