

PAULA IETTA

HEALTHCARE OPERATIONS & LEARNING DEVELOPMENT SPECIALIST

Arenales 144, Argentina | +5491157965514 | paulaietta93@hotmail.com

PROFILE

Healthcare Operations and L&D Leader specializing in scalable onboarding, workflow optimization, and KPI-driven performance improvement within U.S. primary care organizations. Bilingual professional experienced in cross-functional leadership and performance enablement.

ACCOMPLISHMENTS

Implemented structured onboarding systems that reduced ramp-up time and improved performance consistency across teams.

PROFESSIONAL EXPERIENCE

Onboarding Team Leader, Suffolk Primary Health - Sep 2024 to Present

- Designed and implemented structured onboarding programs aligned with operational KPIs.
- Developed SOPs, training manuals, and instructional video content to standardize knowledge transfer.
- Tracked performance metrics to accelerate ramp-up timelines.
- Identified workflow gaps and implemented process improvements to enhance efficiency.

Patient Outreach Specialist, Suffolk Primary Health - Jun 2024 to Sep 2024

- Coordinated patient care workflows including scheduling, medication refills, and insurance verification.
- Managed documentation and workflow tracking using eClinicalWorks, Slack, and Excel.
- Ensured compliance with healthcare policies and confidentiality standards.
- Optimized communication between clinical and administrative teams.

Patient Outreach Specialist, Suffolk Primary Health - Jun 2024 to Sep 2024

- Delivered real-time English-Spanish interpretation in medical and legal settings.
- Ensured linguistic accuracy in high-sensitivity healthcare interactions.

Head Waitress & Operations Support, El Maipú SRL - 2015 to 2020

- Led front-of-house operations for a renowned restaurant in Argentina, overseeing team coordination, service quality, and daily operational readiness across a plus 30-table dining environment.
- Managed staff task delegation, supplier coordination, inventory replenishment, and opening procedures to ensure smooth restaurant operations.
- Worked closely with restaurant management supporting administrative tasks, scheduling coordination, guest reception, and workflow organization.
- Provided hands-on leadership to maintain high hospitality standards and efficient team performance.
