EXPERIENCE

Education Secretary, Manaus — *Volunteer teacher*

2012 April - 2012 December

Teaching English for kids in the public schools.

Federal University of Amazonas, Manaus — *Public Relations intern*

2013 August - 2015 February

Exposition of contents, assembly of booklets, revision of texts, organization of events, discussion of theses in the Department of Anthropology. Elaboration of reports, opinion research, dissemination, photography, campaign development, briefings, internal communication demands in the university's Communication Advisory.

Education Secretary, Manaus — *Communication intern/reporter*

2015 September - 2016 September

Production of articles for the organization's website and Facebook, releases and suggested agenda, photographs, covering events, dealing with the press and accompanying the secretary to the Secretariat's Communication Office.

Electricity Company, Manaus — *Administrative Assistant*

2018 January - 2021 April

I was part of the commercial area and carried out service to clients and was responsible for administrative activities for Large Consumers in the State (in the viability sector, projects, inspection, scheduled shutdowns, distributed generation customers and other activities). Dealing with contracts and services with big customers from private organizations and the public sector, contact with the Distributor's customers, monitoring requests. In addition to representing the concessionaire in hearings at court.. Preparation of reports for presentation at meetings for management and board with BSC data and indicators and provided training for new employees.

Via Marconi (Car Company), Manaus — *Researcher*

2022 February - 2022 May

Researcher position in which it was necessary to contact customers who bought new vehicles to check how the dealership's service was throughout the process and if the consumer has any suggestions, I filled out spreadsheets daily and reported the report to management and supervision, in addition to providing support at times to welcome customers and forward them to sales consultants.

Cal-Comp Brazil, Manaus — *Administrative Assistant*

2022 June - 2024 October

I first joined the company as a temporary employee, hired by the outsourced HR Fênix, and then I was hired by Cal-Comp's own staff, which is an Asian company. I am responsible for assisting the manager, providing support for operational needs as well as the operation of the factory in general, managing incoming and outgoing documents, organizing the department's schedule, controlling the acquisition of materials, requesting quotes, placing purchase orders, taking meeting minutes, preparing reports and controls (Excel), updating records, dealing with the HR department (vacations, timesheet correction, hiring and dismissal requests, etc.), dealing with confidential information on a daily basis, in addition to assisting the foreign director and having to deal with important demands, being necessary to use English to communicate with him and other Asian managers and supervisors. I also select new employees for the company, also conducting interviews in English when necessary.

EDUCATION

Federal University of Amazonas, Manaus — *Graduation*

2012 March - 2012 June

Bachelor Degree in Public Relations

Anhanguera Educational, Manaus — *Post Graduation*

2024 June - 2024 November

MBA in Digital Marketing and Analytics

COMPLEMENTARY ACTIVITIES

- I worked at events organized by ceremonies as a freelancer;
- I wrote a booklet during the research period;
- I was a freelancer for A Crítica, with an article written by me and published in the printed newspaper and portal;

- I wrote articles when I was a reporter at SEDUC that were published in portals and on the organization's website, but in the name of the secretariat;
- A monograph focused on social responsibility and sustainability, in which an opinion poll was conducted with the academic public at UFAM regarding the topic with data measurement;
- I provided training to employees;
- I worked from home twice. Once for the company I worked for and another time as an administrative assistant at an engineering office.
- Photographs.
