

Lakshmi Durga Sowjanya Mallampalli

Senior Software Engineer

6 Years 7 Months

(+91) 9985116938

sowjimallampalli@gmail.com

Profile Summary

I have strong expertise in WordPress, PHP, JavaScript, jQuery, HTML and CSS with hands-on experience across various projects and comprehensive end-to-end project management skills. In addition, I have developed proficiency in Power BI, including data visualization, interactive dashboard creation, DAX calculations and data transformation using Power Query. Actively seeking for remote opportunities with full availability to work across flexible schedules.
