Strengths

Attention to Detail
Process Improvement
Technical Proficiency
Collaboration & Communication
Training and Mentorship

Global Mobility Process Management:

- Draft L-1 and J-1 assignment letters, cost estimates, and J-1 forms for SHRM submission.
- Coordinate with employees and stakeholders.
- Create and manage employee profiles on Oracle.
- Arrange flight bookings and shipment of laptops.
- Validate vendor invoices and coordinate with accounts/payroll.
- Prepare invoices, check requests, and wire requests.
- Follow up on pending receivables.
- Apply Certificates of Coverage (COC).
- Hosting long and short-term benefits call.

Immigration Process Management:

- Collection and validation of L1 and J1 visa related documents from assignees.
- Coordinate with Attorneys on documentations.
- Draft J-1 assignment forms: DS-7002, SHRM payment form, compensation and insurance form, and support letters.
- Create employee profiles and submit documents on the SHRM website.
- Submit LCA NOP requests for posting and removal.
- Draft employee verification letters and GC promissory notes.
- Review and validate H1B CAP candidate resumes.
- Evaluate GC documents: employment confirmation letters, master review documents, and PERM 9089.
- Compile LCA PAFs.
- Hosting DS160 form filling and visa appointment schedule on consulate website session.

Projects and Other Activities:

- Managing and coaching individuals, conducted performance reviews, and provided feedback.
- Participated in the I-9 project - profile creation, verifications, reverifications, and SSN section-1 I-9 verification for permanent hires.

- Contributed to the transfer automation tool ideation, testing in the PROD environment, and updating notification language.
- Updated Mobility related policies.
- Earned Networking Skills - Foundation badge and Diversity, Equity & Inclusion (DE&I) - Foundational certification.
- Developed beginner-level macros for drafting assignment letters.
- Created dashboards using Power BI for Domestic and Global Mobility reports for stakeholder review.

**ACCENTURE SOLUTIONS
PRIVATE LIMITED**

Oct'18 to June'21

Associate

H1B Process Management:

- Handle H1B extensions, amendments, cap-exempt processes, and standalone extensions.
- Manage onshore direct recruitment and H1B cap processes.
- Review documents submitted by assignees and seek clarifications if needed.
- Initiate Labor Condition Applications (LCA) based on process type.
- Verify contract availability and coordinate with project teams for necessary documents.
- Draft applications and coordinate with attorneys for filing and SLAs.
- Manage internal daily reports and calculate SLAs.
- Handle premium conversions and 180/240-day calculations.
- Conduct quality audits of approval copies (I-797 & I-94) and update visa max-out information.
- Raise service requests in the USCIS portal and coordinate with employees.
- Participate in reporting, audits, and invoice validation from vendors.
- Coordinate with employees on H4 documents and file H4 requests.

Additional Contributions:

- Enhanced and tested the web version of the automation tool "VECTO" for generating drafting forms and maintaining SLAs with vendors.
- Implemented macros to draft H4 standalone cases.
- Conducted H1B Cap training (tool and process).
- Won two spot awards in FY19.
- Prepared SOPs for extension and amendment/extension processes.
- Participated in a cost-saving project for extension and amendment processes during COVID-19.
- Proposed an idea for the LCA process that saved cost and time.
- Submitted multiple ideations for contract management, summary dashboards for monthly and weekly reviews, automation of the master tracker, tool integration, and in-housing the H1B filing process.
