### PROFESSIONAL PROFILE

Creative, tech- and AI-savvy Virtual Assistant and Social Media Manager with 9+ years of experience supporting entrepreneurs and small businesses online. Expert in video reels, social content, and online marketing. Leverages AI tools to boost productivity, streamline workflows, and create high-impact content. Known for reliability, initiative, and delivering quality remote work.

### REMOTE WORK EXPERIENCE

#### Virtual Assistant | Multimedia & Funnel Designer

October 2024 - Present

- Built and optimized high-converting sales funnels and landing pages for client offers.
- Created and edited video assets (reels, promos, webinars, course content).
- Managed social content across Facebook, Instagram, and LinkedIn to boost engagement and reach.
- Provided full VA support: calendar management, inbox handling, and client follow-ups.

#### Marketing & Video Editor | VA Support

Feb 2022 - September 2024

- Produced and edited promotional videos for online coaches and business owners.
- Managed client communications and appointment setting via emails and DMs.
- Created marketing materials to support brand visibility and growth.

#### Video Editor | Marketing In-Charge

July 2020 - Feb 2022

- Oversaw marketing campaigns and social content planning for engagement growth.
- Produced video ads and visuals for social platforms and paid campaigns.

#### General VA | VA Team Manager

Dec 2015 - June 2020

- Handled admin tasks, scheduling, project coordination, and appointment setting.
- Led and supported a remote VA team to complete deliverables on time.
