PROFILE

As a results-driven Digital Marketing Specialist with over 10 years of experience, I excel in B2B SaaS lead generation, SEM, SEO, and social media marketing, especially in Google Ads, Meta Ads and LinkedIn. With a proven track record at Infoshare Systems, I've successfully delivered a multitude of projects across diverse marketing channels. My expertise in ChatGPT/Gemini prompt engineering and Generative AI tools position me uniquely to craft compelling content that drives conversions and brand awareness.

EXPERIENCE

**Senior Digital Marketing Specialist,
Infoshare Systems, Feb 2025 - Present,
Hyderabad, India**

Drove a 45% increase in qualified leads and achieved a 4.5x return on ad spend (ROAS) by launching integrated campaigns across Google Ads, LinkedIn, and programmatic display, targeting key enterprise accounts in North America and EMEA.

Boosted organic website traffic by 60% and lowered bounce rates by 25% through a comprehensive SEO overhaul and content marketing strategy, resulting in a 35% increase in demo requests.

Enhanced customer lifetime value by 30% by implementing a new marketing automation workflow in HubSpot that improved lead nurturing and streamlined the handoff process between marketing and sales.
