AT A GLANCE

PROFESSIONAL SUMMARY

My superpower as a Manager comes from my prior background as a developer. A diligent professional skilled in Consulting, Product Strategy, Marketing, and Business Development who has expertise working on business planning, marketing research, and consulting in the manufacturing, real estate and pharma industries. In search of full-time product management summer internship opportunities, while obtaining my MBA at the University of California, Riverside. Traveling and dancing are two of my hobbies. Skills: Python, Tableau, SAP HANA, Java, Adobe Analytics, SQL, Excel, Jira, Asana and Figma. "The walls between art and engineering exist only in our minds" - Theo Jansen -> I'd love to connect on a virtual coffee chat to discuss educational topics! Email Id: Sonal.21agrawal@gmail.com s.

PROFESSIONAL EXPERIENCE

(8 months)

Technical Project Manager

September 2024 - Present

- New Jersey, United States
- In our fast-paced startup, I function as a Technical Project Manager, driving the successful delivery of ERP project. I oversee the manufacturing client account, ensuring high-quality service and strategic alignment, while also contributing to business development by acquiring new clients and fostering company growth. I represent our company at ASUG and in the SAP Community, while

(3 months)
