Bilingual Executive Secretary

PROFILE

I've been working in the field for over 8 years, during which I have contributed to companies in the financial, technology, and education fields.

My scope of work involves executive calendar management (meetings, travel, and events), organization and maintenance of files such as reports, presentations, and contracts, itinerary planning for visits, expense reports and reimbursement, assistance in agile project management and checkpoint tracking, contact and correspondence screening, event development and monitoring, office management, contract management, all while maintaining the necessary confidentiality and prioritization.
