Professional Summary

Proactive and detail-oriented professional with a Bachelor's in Theology and extensive experience in customer service, operations, quality assurance, executive support and operations manager. Known for leadership, adaptability, and excellent communication. Skilled at improving processes, managing teams, and delivering high-quality results in fast-paced environments.

Professional Experience

Administrative Support Specialist

Supreme Source & Supply Co. | Jun 2024 – Jan 2026

- Managed procurement processes, vendor coordination, and logistics operations.
- Prepared and maintained sourcing reports, purchase tracking reports, and vendor performance summaries.
- Handled administrative tasks including documentation, order records, invoicing support, and data entry.
- Optimized internal workflows to ensure timely and cost-efficient delivery of materials.
- Coordinated with suppliers to monitor order status, lead times, and shipment schedules.
- Maintained accurate records in internal systems and ensured data integrity.
- Supported cross-department communication related to sourcing, inventory, and fulfillment.
- Maintained strong supplier relationships and ensured compliance with quality and company standards.

Executive Assistant / Community Manager

Fresh Starts Home Services | Apr 2023 – May 2024

- Supported the executive team with scheduling, communications, and daily operations within a home cleaning services company.
- Coordinated and scheduled cleaning jobs, efficiently dispatching cleaners and adjusting routes as needed.
- Communicated with Spanish-speaking cleaning staff to ensure clarity and prevent miscommunication.
- Updated calendars, confirmed client appointments, and managed last-minute changes.
- Handled client follow-ups, customer inquiries, and complaints with empathy, ensuring timely resolutions.
- Managed invoicing support, maintained accurate records, and assisted with general administrative tasks.
- Led community engagement initiatives to increase brand visibility and customer retention.
- Supported internal communication and project coordination between office staff and field teams.
- tions.

Operations Manager / Virtual Assistant to CEO

Optima Experts | Jan 2022 – Mar 2023

- Owned end-to-end client strategy and Facebook/Instagram ad performance for real estate brokerages across the U.S.
- Led Zoom strategy calls with high-level business owners, building strong client relationships and serving as a trusted growth advisor.
- Developed, tested, and optimized ad copy, creatives, funnels, and targeting to increase leads, agent recruitment, and overall ROI.
- Tracked performance metrics including CPL, lead quality, conversions, and appointment rates, scaling campaigns based on data-driven insights.
- Built and documented departmental systems, SOPs, and processes to streamline operations and support future team growth.

- Contributed to internal strategy, creative reviews, and growth initiatives across the agency.
