Projects Undertaken

- <https://cannabis228.com/>
Ensuring visitors confirm legal age before viewing content, without hurting SEO or user experience.
- <https://sweatboxdc.com/>
To develop an engaging and user-friendly website for SweatBox DC, showcasing their high-intensity interval training programs that focus on building lean muscle mass.
Challenge
The main challenge was to effectively present the intensity and benefits of the training programs while maintaining a clean and navigable website design.
- <https://www.pha.phila.gov/>
Develop an informative and accessible website for the Philadelphia Housing Authority to facilitate residents' access to affordable housing options and available resources.
Challenge
Effectively presenting complex housing information in a clear and accessible manner while improving public awareness and streamlining the application process.
- <https://vidafitness.com/>
To create a comprehensive website showcasing membership options and pricing across multiple gym locations, along with a calendar of gym classes.
Challenge
Seamlessly integrating a ABC Fitness Solutions API to display up-to-date information on gym classes and activities.

Computer Skills
