

EXECUTIVE SUMMARY

I am Rene Bonomi, with over 15 years of experience in finance, with a strong presence in corporate finance advisory, including mergers and acquisitions (M&A), fundraising, budgeting, controllership, and corporate strategy. I have international experience in Latin America, the US, and Europe, and I am the founder of an international advisory firm focused on supporting startups, entrepreneurs, and corporations in business modeling, valuation, investment analysis, and finance transformation. I have worked as a strategic CFO for startups and companies in various sectors, supporting organizations in cash management, cash flow, compliance, managerial accounting, audit, and corporate governance, including KPI development and financial process improvement. I have also collaborated with The Capitalism & Social Good Group and Briggs Capital on global projects. Graduated in Industrial Engineering from UFSCar and holding an MBA from Cornell University, I have a passion for different cultures and fluency in English, Spanish, and Portuguese. I have solid experience in sustainable finance, ESG strategy, capital structuring, and mergers and acquisitions, as well as voluntary work in social and impact projects.
