PROFILE

Finance professional with 20+ years of experience managing full-cycle accounting, financial control, budgeting, cash flow, and audit readiness across remote and global teams. Proven track record in building finance departments from the ground up, implementing ERP systems, and delivering compliant, data-driven reporting under GAAP/IFRS. Adept at leading general ledger oversight, AR/AP cycles, treasury operations, month-end close, tax filings, and external audits. Seeking remote roles from Financial Controller, Finance Manager / Director where execution, structure, and leadership are valued.

CORE COMPETENCIES

Full-Cycle Accounting • General Ledger (GL) Oversight • Financial Reporting & Statements • Budgeting & Forecasting (FP&A) • Month-End & Year-End Close • AR/AP Management • Reconciliations & Journal Entries • Treasury & Cash Flow Management • Audit Preparation (GAAP / IFRS / SOX) • ERP Systems Implementation • Tax Compliance (U.S. & International) • Process Improvement • Variance Analysis • Team Building & Remote Leadership • Financial Controls & Policy Development

PROFESSIONAL EXPERIENCE

FINANCE INTERIM at Physx Promotions • Nov 2025 • Fullerton USA, Working Remotely from Mexico

- Responsible for organizing and strengthening day-to-day finance operations. Rebuilt accounting workflows, corrected payroll and reconciliation issues, and implemented consistent controls to improve accuracy and reliability of financial reporting. Managed journal entries, month-end close support, and coordination with external business partners, ensuring clean records and improved financial visibility.

FINANCE DIRECTOR at Graph8 Inc. • Jun 2024 – Jul 2025 • Boston USA, Working Remotely from Mexico

- Built the finance and accounting function from the ground up for a U.S.-based SaaS/AI startup operating in the United States.
- Designed and implemented full-cycle accounting systems: GL structure, chart of accounts, journal entries, bank reconciliations, and monthly close.
- Managed all treasury functions including cash flow forecasting, working capital optimization, and payment scheduling.
- Implemented AR/AP controls, billing reconciliation, and revenue recognition workflows aligned with GAAP standards.
- Oversaw payroll, expense management, and HR policy compliance through Deel HR.

- Built automated Excel dashboards for executive reporting, variance tracking, and KPI management.
- Collaborated directly with external tax/accounting firms to ensure audit readiness and tax compliance.

ACCOUNTING & FRAUD PREVENTION MANAGER at Elife Inc. • Jan 2023 – Jan 2024 • San Francisco USA, Working Remotely from Mexico

- Directed end-to-end revenue cycle, billing reconciliation, and financial analysis with robust internal controls.
- Enhanced cash flow visibility and delivered accurate CFO-level reports and cash forecasts for strategic decisions.
- Spearheaded and enforced a comprehensive fraud prevention program, reducing suspicious activity by 70%.
- Detected anomalies through proactive data monitoring and led investigations to resolution.
- Partnered cross-functionally to streamline revenue cycle processes and reduce financial risk.
- Trained internal teams on fraud detection tools and financial integrity protocols. Key Contributions: → Reduced billing errors by 40% and accelerated cash flow through streamlined procedures. → Strengthened financial security and compliance infrastructure.

DIRECTOR OF FINANCE AND OPERATIONS at Progress S.C. S.p.A. • Nov 2017 – Aug 2022 • Cuneo, Italy, Hybrid

- Directed finance and administration for a multinational logistics and production firm across Europe.
- Managed full-cycle accounting including AP/AR, GL, fixed assets, accruals, and tax filings.
- Owned the entire month-end and year-end close process; ensured accurate and timely financial statements.
- Developed and executed budgeting and forecasting cycles, cost controls, and cash flow reporting.
- Oversaw vendor contracts, payment terms, and credit line negotiations to support liquidity.
- Coordinated external audits under Italian GAAP and IFRS; maintained internal controls and compliance frameworks.
- Led due diligence and financial modeling for an M&A transaction with Giordano Vini S.p.A., supporting business expansion.
- Reduced overdue receivables by over 30% and improved working capital KPIs through tighter credit policies.

SENIOR ACCOUNTING & TREASURY ANALYST at EXOR N.V. • Jan 2017 – Sep 2017 Amsterdam, Netherlands

- Managed cash flow forecasting, treasury operations, and forex reserve planning across multiple currencies.
- Oversaw GL entries, account reconciliations, and prepared monthly financial statements for senior leadership.
- Supported the preparation of consolidated financials under IFRS and assisted with external audit readiness.
- Partnered with international banks to negotiate credit facilities and streamline cash management processes.

REGIONAL FINANCIAL CONTROLLER – MIDDLE EAST at Saipem • May 2015 – Dec 2016 • Amsterdam, Netherlands

- Oversaw financial reporting and consolidation for multiple branches across the Middle East region.
- Managed monthly close, P&L reporting, and balance sheet reconciliations under IFRS and local standards.
- Directed external audits and built audit packages for group and statutory purposes.
- Led financial planning and analysis, variance reporting, and intercompany reconciliations.
- Developed procurement cost models and implemented savings strategies that reduced spend by 15%.
- Coordinated cross-border banking relationships and supported cash flow optimization initiatives.

ACCOUNTS RECEIVABLE & CREDIT RISK SPECIALIST at Supermicro • Jan 2011 – Apr 2015 • 's Hertogenbosch, Netherlands

- Managed a portfolio of 500+ enterprise accounts across Europe, leading invoicing, collections, and credit approvals.

SECURITIES OPERATIONS & CLIENT SETTLEMENTS at BNP Paribas Securities Services • Nov 2006 – Dec 2010 • Milan, Italy

- Executed large-scale stock purchase orders and managed settlement compliance for international clients on MIB market.

FINANCIAL OPERATIONS & CREDIT ANALYST at Hewlett Packard • Oct 2004 – Aug 2006 • Tampa, FL, USA

- Managed a US\$15M receivables portfolio; evaluated client creditworthiness and monitored risk exposure.
