PROFESSIONAL SUMMARY

As a Marketing Manager, I have developed expertise in AI technology, automation, media buying, performance marketing, social media, and SEM/SEO, to deliver impactful digital solutions. I bring over 15 years of experience in business research, management, and strategic marketing execution. I'm passionate about languages, communication, and technology, holding several Google Ads certifications and C2 English proficiency. My background spans business development, AI, marketing, linguistics, and media studies—enabling me to craft tailored, innovative strategies for various industries.

PROFESSIONAL EXPERIENCE

- Marketing Strategist** August 2024 – April 2025
Oguz Law, USA
 - Designed and executed comprehensive digital strategies for entering the Latin American market in the U.S. Led audiovisual content production and managed Meta and Google Ads campaigns, enhancing brand visibility and generating qualified leads.
 - Konto Analytics, Argentina
- Business Development Manager** May 2021 – May 2024
Marketing Manager
 - Implemented AI-powered image recognition software, doubling productivity. Our targeted marketing strategies enabled us to onboard Bayer Crop Science and BASF Nunhems, boosting annual revenue by 15%. Oversaw the successful trademark registration process.
 - DAPI, Argentina
- Business Development Manager** July 2017 – September 2020
Marketing Manager
 - Created and supervised brand identity and digital marketing campaigns. Secured major winery clients, growing the customer base by 30%.
 - Pharmatta, Spain
- Business Development Manager** December 2014 – May 2017
Marketing Manager
 - Researched LATAM and EMEA markets to generate business opportunities. Led brand development (logo, site, domain, campaigns), increasing monthly click-through rate by 5% through keyword refinement and SEO.
- Marketing Specialist** August 2010 – September 2014
Tekno Kaucuk Sanayii AŞ, Turkey
 - Pioneered the company's digital marketing efforts by launching its first Google Ads campaigns.
 - Conducted competitive analysis in South America and Mexico to identify joint venture opportunities.
- Tutor** February 2007 – July 2010
Instituto Cervantes, Turkey
 - Designed advanced-level (C1–C2) syllabi, developed teaching materials, and led teacher training
- Key Account Manager** December 2005 – June 2006
Nominalia, Spain
 - Led the B2B sales team at this domain registrar and ISP, applying innovative market research to identify and acquire high-value clients.
- Sales Manager** March 2002 – April 2005
Tecnocasa, Spain
 - Gained strong negotiation and business skills in real estate. Improved sales through better internal communication and team coordination.
