PROFESSIONAL EXPERIENCE

- Personal Injury Paralegal / Pre-Litigation & Litigation Case Manager** Jun 2024 – Jan 2026
U.S.-Based Personal Injury Law Firm — Georgia (Remote)
 - Managed high-volume caseload of 50+ active personal injury files simultaneously from intake through settlement or litigation transition, maintaining full case visibility and documentation accuracy.
 - Served as primary client contact throughout the case lifecycle, conducting intake evaluations and providing ongoing case status updates that strengthened client retention and satisfaction.
 - Requested, reviewed, organized, and summarized medical records and bills to build demand packages and support accurate case valuation for attorney decision-making.
 - Coordinated with insurance carriers, medical providers, and attorneys to enforce case timelines and prevent avoidable delays in settlement negotiations.
 - Drafted demand packages, case summaries, and litigation support documents, including discovery coordination and deadline tracking across 50+ concurrent matters.
 - Operated independently in a fully remote environment using Clio Manage, Case Status, eFileGA, and RingCentral with minimal supervision.
- Legal Case Manager / Paralegal** 2008 – 2023
Private Legal Practice — Argentina
 - Managed civil, commercial, labor, and administrative cases across a private practice for 15 years, handling all phases from case intake through resolution.
 - Drafted pleadings, motions, briefs, and legal correspondence for multiple case types, ensuring procedural compliance and deadline adherence.
 - Maintained direct client communication and case organization, serving as the primary interface between clients and attorneys.
- Earlier Argentine Legal & Judicial Experience** 2008–2014
 - Civil & Commercial Court | Public Prosecutor's Office | Labor Court | Child & Family Protection Agency (CPDEN)
 - Completed sequential judicial placements across civil/commercial court (1.5 yrs), Public Prosecutor's Office (3 yrs), labor court (6 mos), and child & family protection agency (1.5 yrs), gaining comprehensive exposure to Argentina's judicial system.
 - Handled court proceedings, case management, legal documentation, and coordination with law enforcement and social service authorities across all placements.
 - Telephone Interpreter (English-Spanish)
 - Legal and Administrative Settings — Remote
 - Provided real-time English-Spanish interpretation in legal and administrative contexts, strengthening bilingual legal terminology and cross-cultural client communication skills.
