Roles across different companies

## PROFESSIONAL SUMMARY

Chartered Accountant (ACA, ACCA) with 5+ years of experience at KKR and Goldman Sachs, specializing in private equity and private credit fund operations. Skilled in valuations, carried interest modeling, investor reporting, and US GAAP/ILPA compliance. Trained at a mid-tier audit firm with hands-on exposure to valuations, forensic and external audits, investigations, and Ind AS (IFRS) reporting. Worked across finance, operations, and compliance functions, with a growing focus on being a strategic partner to founders and senior leadership—freeing up their bandwidth and building a path toward finance and operations leadership.
