Entrepreneurial Leadership

SATVIC FOODIEZ Restaurant, Founder & Operations Head | Mar'23 – Dec'24

- Launched and managed a quick-service restaurant specializing in regional cuisine, handling operations, staffing, vendor negotiations, and budgeting.
- Implemented POS systems, optimized workflow for peak service hours, and introduced inventory tracking to reduce waste.
- Managed digital presence and local marketing, increasing walk-ins through targeted online engagement.
- Reduced operating costs by 15% through vendor renegotiations and inventory controls.

Work Experience

Oak Tree Software, Indore, Technical Recruitment Lead | Aug'25 – Present

- Led and managed a team of IT recruiters, setting clear recruitment goals and KPIs, and fostering a high-performance culture to achieve business objectives.
- Developed and implemented strategic recruitment processes, employing efficient sourcing channels and innovative techniques to attract top tech talent.
- Collaborated with hiring managers to understand organizational staffing needs, ensuring alignment between recruitment efforts and department goals.
- Provided coaching and conducted regular performance reviews for recruitment team members, supporting their professional growth and optimizing team effectiveness.
- Monitored recruitment metrics and analyzed team performance to ensure successful hiring practices and continuous improvement.

Curriculum Vitae

- Ensured full compliance with company policies, employment laws, and best practices in recruitment and selection, mitigating risk and upholding process integrity.
- Handled strategic vendor relationships, negotiated contracts with external partners aligned to organizational requirements, and enhanced recruitment service delivery.
- Drove business process improvement initiatives, maintained recruitment resources, and delivered targeted training to build IT hiring capabilities within the team.

Vertisystem Global Private Limited, Indore, *Global Mobility Manager* | Mar'16 – Jan'23

- Managed 50+ U.S. visa cases annually, including H-1B and Green Card PERM processing; ensured full USCIS and I-9 compliance with timely LCA filings, leveraging E-Verify for new hires and internal audits.
- Led end-to-end U.S. onboarding lifecycle, overseeing pre-employment screening, Form I-9 verification, E-Verify submissions, and background checks, in alignment with federal HR and immigration policies.
- Conducted internal process audits to ensure DHS, USCIS, and Department of Labor compliance, reducing immigration risk and strengthening SLA adherence across onboarding and mobility functions.
- Developed strategic vendor alliances and led contract negotiations aligned with U.S. labor laws and immigration policies, reducing legal risk and enhancing service delivery.

Value c Consulting Services, Mumbai, *US HR and Immigration Coordinator* | Sep'14 – Aug'15

- Administered the full U.S. onboarding lifecycle including pre-employment screening, Form I-9 completion, E-Verify processing, and background checks ensuring alignment with federal immigration laws, DOL regulations, and company HR policies to support compliant and timely new hire integration.
- Coordinated complex U.S. immigration case workflows including H-1B petitions, LCA submissions, and PERM documentation to ensure timely and compliant filings with USCIS and DOL.
- Supported internal audits, Form I-9 management, and HR policy documentation, reinforcing adherence to federal immigration standards, internal controls, and data integrity protocols.

Magnum Group, Bhopal, *Training & Quality Manager* | Mar'13 – Nov'14

- Led quality training programs; ranked 2nd PAN India for customer satisfaction.
- Monitored KPIs and improved SLA adherence to 85%+ quality benchmarks.

Firstsource Solutions Ltd, Bhopal, *Assistant Manager – Operations* | Feb'09 – Oct'12

- Managed 200+ team members across technical and billing operations.
- Improved call quality and reduced AHT through workflow redesign and coaching.
