PROFESSIONAL SUMMARY

Senior finance professional with 20+ years of global experience across India, UAE, and multinational environments. Strong background in FP&A, budgeting, forecasting, management reporting, cost control, shared services, and audit readiness. Proven ability to streamline processes, strengthen financial controls, automate reporting, and partner with cross-functional teams. Experienced in multi-entity consolidation, revenue recognition, receivables optimization, and ERP transitions

PROFESSIONAL EXPERIENCE

LRQA Ltd

Mar 2023 – Jun 2025

Global Overhead Cost Controller

- Controlled all operating P&L accounts (excluding revenue, cost of sales, payroll, and subcontractors) and relevant balance sheet accounts
- Ensured accurate cost sharing across multiple cost centers (e.g., insurance, company car)
- Collaborated with GPO P2P and cost center managers to ensure proper PO creation, goods receipt, and completion
- Allocated shared services costs (e.g., SDS hubs) in line with LRQA's finance policies
- Led audit responses for overhead-related P&L and balance sheet movements
- Reviewed and standardized process documentation for clarity and value delivery

Clear Nexus Inc.

Mar 2021 – Feb 2023

Financial Controller

- Managed finance operations for outsourcing (Clear Nexus) and consumer lending (Galt Financials) verticals
- Coordinated budgeting, forecasting, and variance reporting
- Published timely monthly financial statements
- Led portfolio forecasting and cash management for consumer lending arm
- Finance Specialist – Revenue & Accounts Receivables

Emirates Flight Catering LLC

Jun 2017 – Jul 2020

Dubai

- Evaluated customer contracts and agreements to ensure proper revenue recognition in line with company policy and accounting standards
- Executed Sales Order quality control and reviewed transaction setups for accurate revenue recognition
- Streamlined revenue-related processes to improve efficiency and meet accounting objectives
- Ensured timely completion of invoices as per agreed terms and conditions
- Optimized cash inflows through improved billing and submission of customer statements
- Reported non-airline revenues monthly and flagged high-risk areas requiring management attention

Millward Brown

Aug 2016 – Dec 2016

Regional Project Consultant – Asia Pacific

- Supported the transition of TNS Malaysia's local OpCo team to the FinancePlus shared services model
- Acted as liaison between FinancePlus Project Team and local OpCo staff, facilitating communication and feedback
- Coordinated and monitored project activities to ensure key milestones were met
- Provided regular status updates to FinancePlus management on transition progress
- Upskilled ground team in Malaysia to align with new finance operating standards
- Implemented Standard Finance Operating Model across APAC

Millward Brown / Kantar Group

Sept 2015 – Jul 2016

Dubai

- Oversaw regional financial consolidation and controls across AMAP, reporting to the Regional Finance Controller
- Liaised with Finance Managers and Controllers to ensure timely and accurate Group reporting submissions
- Prepared monthly consolidated P&L 'flash' reports for Group leadership
- Reviewed AMAP monthly P&L and balance sheet reconciliations, ensuring corrective actions for discrepancies
- Coordinated and executed external audits across the region

● TNS Middle East & Africa / Kantar Group

Apr 2006 – Sept 2015

Dubai

- ▶ Reported directly to the CFO and led a team of 5 across UAE
- ▶ Produced monthly consolidated Group Accounts for Dubai and Lebanon
- ▶ Submitted monthly results to regional office with variance analysis and commentary
- ▶ Prepared SBU financial performance reports against key metrics to support budget tracking
- ▶ Implemented and enforced Group financial policies across business units
- ▶ Led commercial initiatives to improve operating profitability

● NFO Middle East & Africa

Jan 1998 – Mar 2006

Dubai

- ▶ Reported to the Regional Financial Controller- MENA and led a team of 2 across UAE.
- ▶ Finalized monthly company revenues and accounts with accuracy and timeliness
- ▶ Processed and approved employee expense claims in compliance with policy
- ▶ Performed bank account reconciliations across multiple entities
- ▶ Led debtor collections to improve cash flow and reduce outstanding receivables
- ▶ Assisted in Hyperion reporting for Dubai, Egypt, and Morocco, supporting regional financial consolidation Career Achievements
